NHS | ROSEMEAD SURGERY

Our Vision

To provide accessible, inclusive and high-quality GP care that supports the health and wellbeing of our whole community.

Statement of Purpose

We provide safe, effective, caring and responsive GP services. We work in partnership with our patients, respecting dignity, equality and human rights. We are committed to continuous improvement, listening to our community and meeting the needs of all people we serve.

Your Rights

We will explain your care clearly and involve you in decisions. You have the right to understand, agree to, or refuse treatment.

- Patient-centred care with dignity and respect
- Everyone can access care when they need it
- Equality, diversity & inclusion
- Support for disability and additional needs
- Transparent and fair care
- Listening to our community
- Safe and continuously improving services

Accessibility & Inclusion: Information available in different languages and formats. Please tell us if you have any disability or need support.
